

Fill-a-Stocking 2011

The Salvation Army, Hampton, Virginia seeks to fill over 7000 stockings for children in the Hampton Roads Area this Christmas. We aim that every child receive a stocking. To make this year one our children will never forget, please help us reach this goal! Stockings will be provided to you. We ask that your group fill them with 3 toys (each valued at \$3.00—\$5.00) appropriate to their gender and age (newborn-13) plus other stocking stuffers with the exception of food. Deliver filled stockings to our Distribution Center by December 8th.
